

LASERGLOW

ILLUMINATION EFFECT SYSTEM

Every LaserWash® 360 can benefit from our exclusive **LaserGlow Illumination Effect System**. The LaserGlow system will assist in guiding your customers through the vehicle entry and exit process and it will illuminate your bay, day or night, whether your vehicle wash is in use or not!

Get Your Wash Noticed

Not only will the LaserGlow System help improve your customer flow, it can also be configured to work for you 24/7/365 by illuminating your wash bay day and night whether there is a vehicle in your bay or not. The system can be programmed to display multiple color combinations of flashing patterns, or constant colored illumination that matches your brand image. A glow from your wash bay can be a highly effective marketing tool to draw more attention to your wash site encouraging consumers to take notice and keep your existing customers coming back again and again. **Get your wash noticed 24 hours a day with the LaserGlow Illumination System.**

- Assist in customer loading process (Green / Red / Yellow)
- Reinforce your brand image / colors
- Support your local sport teams by displaying their team colors
- Display holiday color patterns
- Delight your customers with a variety of colors with each wash package.
